

TW 280HB DIESEL LEADER OF THE PACK

As standard:

- Auto-reverse rollers to increase processing time
- Quad Force rollers for ultimate crushing power
- No blade to anvil gap set up (no shims required)
- 2 x quick access reversible blades
- 3-year warranty as standard, option on 5-year warranty

Timberwolf - easy to use, easy to own

1. Industry Proven Power

- Hyundai 55hp diesel engine
- Timberwolf smart design for easy servicing and maintenance
- Low maintenance solution
- Easy accessibility through side panels

2. Intuitive Display Screen:

- Easy to read display even in sunny conditions
- Adjustable home screen options
- Simple navigation
- Environmentally robust (IP67 rated)
- Rigorously tested solution
- Clear troubleshooting information

3. Intelligent Infeed Design

- Industry leading auto-back off feature to minimise downtime
- Flat tray with wide infeed funnel
- Readily accepts flat end timber
- Noticeably little timber kick due to overall smart design

4. Cutting Edge Electronic Control Software, IQAN

- Bluetooth access through mobile phone/laptops when and where required
- Immediate diagnostics for owners
- Remote Dealer support when required

5. Enhanced Throttle Design

- New two speed electronic throttle (cable free)
- Positioned in the operator zone for quick and easy revs adjustment
- Integrated into positive engagement buttons

Also available with adjustable tow hitch option
