

TIMBERWOLF®
LEAD THE PACK

The TW PTO/100G is designed for use by large estate owners and landscape gardeners who have access to a compact tractor with a 6-spline 540 rpm power-take-off. Ideally suited to tractors from 18 hp to 40 hp, it will easily tackle branches up to 4" depending on tractor horsepower.

TW PTO/100G

IDEAL FOR TRACTORS

With a low centre of gravity, easy tow chassis and good ground clearance, the TW PTO/100G has a positive blade feed action, large funnel feed and the ability to process material quickly.
